| No             |  | 0.00%     | 0  |
| Other          |  | 8.33%     | 1  |
| TOTAL          |  |           | 12 |

| # | OTHER                           | DATE             |
|---|---------------------------------|------------------|
| 1 | Only if asked for at that time. | 7/8/2026 4:17 PM |

Q2 If not, does the patient have to come back in for a separate visit for the sports physical?

Answered: 10    Skipped: 2

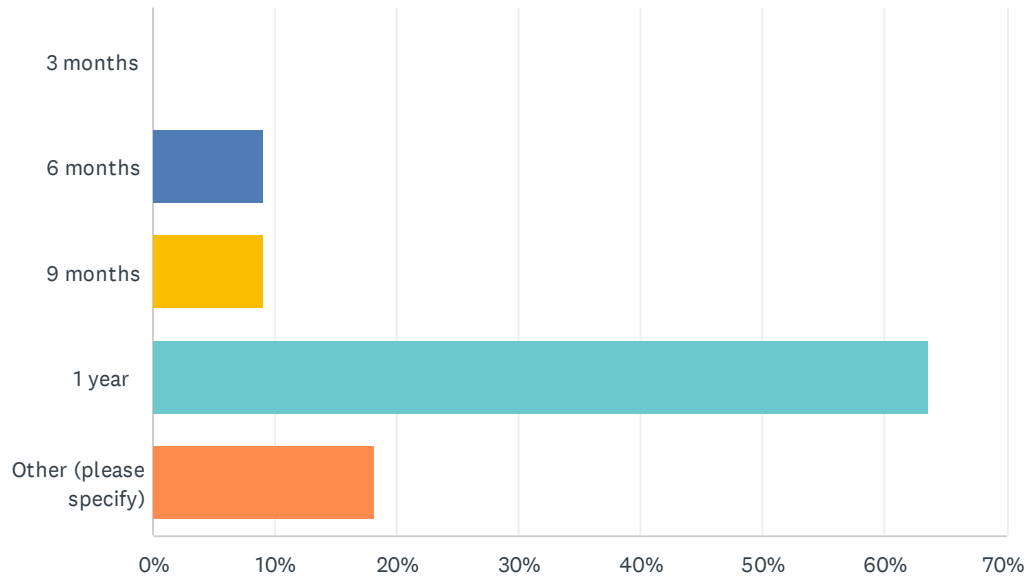

| ANSWER CHOICES                                                                                         |  | RESPONSES |    |
|--------------------------------------------------------------------------------------------------------|--|-----------|----|
| If the WCC was in a certain time period, we will complete the sports physical without a separate visit |  | 90.00%    | 9  |
| Yes, the patient must come back for a sports physical                                                  |  | 0.00%     | 0  |
| Other                                                                                                  |  | 10.00%    | 1  |
| TOTAL                                                                                                  |  |           | 10 |

| # | OTHER                                                                                                                                                 | DATE              |
|---|-------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| 1 | If the patient has Medicaid insurance, we will bring them back. If the patient has private will not bring them back in but charge a \$10.00 form fee. | 7/2/2026 11:32 AM |

### Q3 If the patient is not required to return for a separate visit, what is the time gap allowed between completing the sports physical and the last WCC?

Answered: 11   Skipped: 1

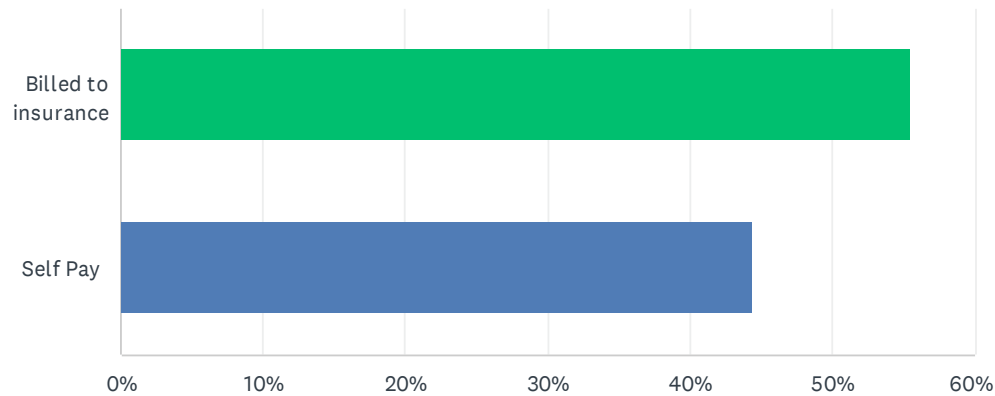

| ANSWER CHOICES         | RESPONSES |
|------------------------|-----------|
| 3 months               | 0.00% 0   |
| 6 months               | 9.09% 1   |
| 9 months               | 9.09% 1   |
| 1 year                 | 63.64% 7  |
| Other (please specify) | 18.18% 2  |
| <b>TOTAL</b>           | <b>11</b> |

| # | OTHER (PLEASE SPECIFY)                                                                                                                | DATE              |
|---|---------------------------------------------------------------------------------------------------------------------------------------|-------------------|
| 1 | We allow a year but some counties require the physical to be completed within a certain time frame which may result in another visit. | 7/2/2026 10:54 AM |
| 2 | a well visit and sports physical are kind of the same so we do together                                                               | 7/2/2026 10:37 AM |

Q4 Is a sports physical only billed to the insurance or self pay?

Answered: 9    Skipped: 3
