Who is Everest?

Everest, the first nationwide funeral planning and concierge service, is an independent consumer advocate who works on your behalf. Everest's sole purpose is to provide the information you need to make the most informed decisions about all funeral related issues and then put those wishes into action.

You're never locked into a decision because Everest's funeral advisory services can be used at any funeral home across North America.

Everest is an impartial consumer advocate, not a funeral home. Everest does not sell funeral goods or services, nor does Everest receive any commissions from funeral homes or other service providers in the funeral industry. With Everest, you are removed from a sales-focused environment, allowing you and your family to make well-informed and confident decisions during a stressful time.

Everest offers both pre-planning and at-need services at or near the time of need. Everest's online planning tools help you prepare for the future. At-need services include price negotiation assistance and communicating the family's wishes to the funeral home. Everest Advisors are available by phone 24/7 and can determine eligibility for the expedited life insurance claim process.

For use by participants in the NCFlex Group Term Life Plan only.
