

**SANDRA LEE CARL
NOMINEE FOR THE NFRW PATRIOT AWARD
BY MOORE REPUBLICAN WOMEN (NC)**

Sandra Lee “Sandi” Carl was born in Honolulu, Hawaii to her first generation Asian-American mother and her American father, who at the time was serving in the Coast Guard and was present when Pearl Harbor was attacked. Her love for her country was instilled at a young age by her parents, who appreciated and served our great nation.

Sandi met Bill, her husband-to-be in Hawaii where they were both in high school. After their marriage in 1963, Sandi served as a military wife for 28 years, moving 21 times with Thailand as her farthest, most exotic home.

Sandi Carl's love for America and our military personnel is unparalleled. At Moore Republican Women (MRW), she has been the cornerstone of our club military outreach since 2013, serving as Chair of the Americanism Committee since 2015.

Honoring our nation's flag, both in her own community and in our county, and supporting the military and their families, has been Sandi's goal for years. Because of her outstanding work to promote Americanism, Sandi Carl was named as Chair for the America250 year-long celebrations by Moore Republican Women.

The North Carolina Federation of Republican Women chose Sandi as the Chair of its America250 committee to engage others across North Carolina, especially youngsters, in activities that celebrate our nation, honor our heritage, foster patriotism and service toward others, and share love of America and our flag.

In 2014, Sandi introduced the MRW membership to Military Missions in Action (MMIA) and the Ft. Bragg Family Assistance Office, from which many of the projects stemmed. As co-chair of our Caring for America committee, Sandi ensures that our ongoing membership-wide projects benefit our troops, veterans and their families. In addition, Sandi has served as a poll worker since 2014 and is active in elections via telephone, letter-writing and door-knocking campaigns.

In short, Sandi Carl embodies Americanism and is an excellent candidate for the NFRW's American Patriot Award. She loves our country, promotes patriotism through displays of the American flag, and works diligently to show our military personnel – current, veteran and deceased – that we honor their service and are there to support them.

PROJECTS:

Following are some of the ongoing projects that over many years Sandi has either initiated herself or is instrumental in supporting, not just with dollars but with long hours, years of hard work and a caring heart.

HOMETOWN FLAGS

Sandi felt it was important for her own neighborhood in Seven Lakes, NC, to show their love for America. So she solicited donations from her friends and neighbors to purchase our beautiful American flags to display on every street in this fairly large community. The flags are displayed every Memorial Day, July 4th, and Veterans Day.

FIELD OF HONOR

In 2016, as Sandi and her husband were walking among the numerous American Flags displayed in honor of the fallen at the Special Forces and Airborne Museum at Ft. Bragg, NC, she dreamed of a display honoring our veterans in Moore County.

With the encouragement of the Vietnam Veterans Association, Sandi secured sponsorships from families of veterans who wanted to honor loved ones by purchasing flags to be displayed in what she envisioned as a "Field of Honor," to be held on Veterans Day weekend. Our own club, Moore Republican Women, sponsored the service flags that represent each branch of the military.

This "Field of Honor" patriotic ceremony included a color guard from Union Pines High School ROTC, which performed the Posting of the Colors. As each loved one's name was read, a brass bell was rung, echoing in the solemn silence. Sandi's dream had come true, and it was very moving experience for all who attended.

Since then, the "Field of Honor" is an annual event, and the number of flags has grown. The ceremony is repeated as more and more families attend - and it is a breathtaking sight to see on Veterans Day as you approach the Field or drive by on the major road nearby.

MILITARY MISSIONS IN ACTION

In 2013, Sandi introduced Moore Republican Women to Military Missions in Action (MMIA), founded in 2008 and dedicated to assisting veterans with disabilities, homeless veterans, and members of the Armed Forces and their families. Her strong leadership has MRW involved in the following activities:

- **FILL THE FOOTLOCKER:** Sandi coordinates "Fill the Footlocker," an MMIA project, several times a year. With the help of the women at Moore Republican Women, she collects thousands of pounds of food items like protein bars, drink mixes, cookies, chips, pretzels and other snacks, together with underwear, socks, sunscreen, insect spray, and personal hygiene items for our deployed troops, wherever they are serving. She then packs and ships the collected goods to our troops around the world.

- **HOMES FOR HEALING - Providing Essential Furnishings for Success.** MMIA provides household goods and new or gently used furniture to formerly homeless veterans. Sandi Carl is a leader among a core group of MMIA volunteers who focus their efforts and time on this program. They pick up donations, deliver needed items to veterans and ensure that donated appliances and furniture are fully functional and in good condition. Any donated items that are not suitable for small apartments are sold, allowing MMIA to purchase items to complete the veteran's home, such as a new mattress or bathroom supplies. Additionally, Sandi collects bedding, clothing and toiletries and prepares backpacks for local homeless veterans who live "rough."
- **OPERATION RESCUE CHRISTMAS** - Every Christmas, Sandi manages MRW's toy donations to low-income military and veteran families based at Fort Bragg in Fayetteville. Members donate toys, gift cards from department or grocery stores, and monetary donations. Sandi and her team wrap the gifts and have a celebration for families at the base.
- **MMIA GALA:** Sandi was a member of the team that founded the annual MMIA Black Tie Gala, which has been held in 2024 and 2025 in Pinehurst, NC. She secured sponsorships and was instrumental in promoting the event. In 2024, the Gala raised \$34,000, and in 2025, it raised \$50,000. These funds gave MMIA a great boost to be able to continue their outreach projects.

ARMY NATIONAL GUARD SOUTHERN PINES

In addition to the generous donations to Samaritan's Purse, we collected six large bags of snacks for the US Army Reserve Armory on Morganton Road. The Unit was up in the mountains conducting Rescue and Recovery operations. Sgt. Melvin said he has gone to every hurricane since 2002 and has never seen anything like the destruction. He thanked us for the snacks, which were enjoyed when the unit returned.

SANDHILLS COMMUNITY COLLEGE VETERANS SERVICES LOUNGE:

When Sandhills Community College created a Veterans Services Lounge for its 350 veterans and military-connected students, Sandi jumped right in and collected donations to purchase cases of snacks, candy, cookies and soft drinks for the veterans in the Lounge. Her strong efforts have turned it into a welcoming place for vets to do homework and study, while grabbing a bite to eat.

SEVEN LAKES AND SANDHILLS VETERANS CEMETERY WREATH PROJECTS:

Sandi Carl recognized that in her local cemetery, veteran's graves were overlooked in the Wreaths Across America Christmas wreath project, so she spearheaded bringing MRW members there, and now that location is fully covered. For many years Sandi has led our efforts at the large veteran's cemetery near Fort Bragg, NC.

THANKSGIVING BASKETS:

Sandi gathers Thanksgiving food items and Food Lion grocery gift cards donated by members of the Moore Republican Women's Club for elderly, disabled or financially vulnerable veterans in our community. She decorates and fills the baskets, which are delivered throughout Moore County by MRW members.

EASTER BASKETS:

Parishioners from Sacred Heart Church in Pinehurst, NC, donate Easter Baskets to elderly needy veterans, as well as donating prayer shawls and lap shawls. Sandi Carl picks them up from the Church and delivers them to elderly and disabled veterans.

DOCUMENTATION:

**Associates of Vietnam Veterans of America, Inc.

MMIA & St. Andrews University Gather 126 Boxes for Deployed Troops

TOPICS: Military Missions In Action MMIA Sandi Carl shoe boxes soldiers St. Andrews University

POSTED BY: JANNA GUERRA NOVEMBER 27, 2017

On Friday, November 17th, the Military Missions In Action (MMIA) group received 126 shoe boxes from students and staff of St. Andrews University to be shipped off as Christmas gifts to soldiers in active duty.

All of the equestrian team in addition to their coach and staff were able to donate funds and time to fill and prepare the boxes for troops. Each box included a handmade note to express appreciation to soldiers who are serving overseas.

"It's a little personal touch," Coach Carla Wennberg said. "It was heartfelt and cool to watch. It taught a greater lesson of what's important in life."

About seventy to eighty students helped with the shoeboxes.

Even students who did not have much to give were willing to donate all that they had for deployed troops.

After the boxes were packed, they were loaded into a horse trailer to bring to the MMIA location.

This is the third year that St. Andrews has worked with MMIA to send packages overseas.

"We try to get them there for Christmas," MMIA member Sandi Carl said.

For those who have a loved one in active duty overseas and would like to have him/her receive a package, contact Sandi Carl at (910) 673-7711.

The Linwood Lang award is the North Carolina Vietnam Veterans of America State Council's highest and it is awarded for outstanding and exemplary service to Veterans and the community. The purpose of the award is to recognize those members, associates or individuals who have demonstrated a sincere commitment to ideas, missions and goals of The Vietnam Veterans of America. The 2017 award recipient is Seven Lakes West resident: LTC William (Bill) E. Carl, (ret.), who had a distinguished 28 year military career in the U.S. Army in Intelligence and Special Operations. Bill and his wife, Sandi, (AVVA) are charter members of the Moore County Vietnam Veterans of America Chapter 966, founded in January, 2006. The members of Chapter 966 and our community congratulate and "thank you" for all you do for our area Veterans!

MRW honors veterans with Wreaths Across America

On December 16, members of MRW joined thousands of other Americans across the country to lay memorial wreaths on the graves of veterans. We visited the Seven Lakes cemetery to do our part (pictures below).

Overall, MRW members purchased more than 350 wreaths, which decorated veterans' graves at the Seven Lakes site and in the Sandhill Veterans Cemetery in Fayetteville over the Christmas holidays.

Thank you to all who donated wreaths and helped honor our country's brave veterans!
