

2020 Volunteer Hours:

Policy for Counting Volunteer Hours

Please take a moment to report hours spent volunteering from January 1 through December 31. Estimate separate hours spent volunteering for election/political activities from charities in our community.

Our experience is that most members do not give themselves enough credit for all the good works that they do because being generous with our time comes second nature to us.

Thank you for all the wonderful activities that you do to strengthen our Community and our GOP.

Examples of volunteer or campaign activities:

- All campaign activities, including mailings, phone calls, computer work, and social media to benefit our GOP, candidates, and/or NFRW or NCFRW.
- Attend, prepare State or National Federation Board of Directors Meetings and Conventions.
- Time at (and travel) municipality, precinct/ward, county, district, or state or RNC conventions.
- Campaign work at club meetings, i.e. getting petitions signed, doing mailings.
- Travel time to and from volunteering.
- Running for office - all time spent campaigning – applies to spouses and friends, too.
- Delivering Meals on Wheels.
- Hours spent for Habitat for Humanity.
- Helping underprivileged children.
- Volunteering at women's shelters and homeless shelters.
- Assisting military organizations that need help beyond monetary donations.
- Teaching pet responsibility; caring for animals.
