Mercy Goes Masquerade

As Mercy Haven celebrates 41 years of service, this event brings together friends, supporters, and community partners for an evening of celebration, gratitude, and hope.

This year, we're shaking things up and celebrating in style as we honor two extraordinary women whose vision and dedication helped make Mercy Haven what it is today. The evening will feature a festive cocktail hour with passed hors d'oeuvres, buffet dinner, dancing, and, in the spirit of the season, your favorite masquerade mask!

Join us as we raise a glass, hit the dance floor, and make it a night to remember!

Sisters Pat & Kathy at Mercy Haven's first masquerade party – 2006

S. PATRICIA GRIFFITH AND S. KATHLEEN NOLAN CO-FOUNDERS OF MERCY HAVEN, INC.

For more than four decades, Sister Patricia Griffith and Sister Kathleen Nolan have dedicated their lives to serving individuals and families too often overlooked by society, seeing not a diagnosis, a circumstance, or a label, but the dignity and potential of every person.

Their shared journey took on new urgency in 1985, when residents of the Baybright Hotel in Bay Shore, many of whom had previously lived in state psychiatric hospitals, faced the possibility of losing their home. Sisters Pat and Kathy and a determined group of community members came together to advocate for the residents and ensure they would not simply be displaced. From that effort, Mercy Haven was born.

Drawing on their shared commitment to social justice, advocacy, and service, Sisters Pat and Kathy helped Mercy Haven grow from a grassroots response into a respected organization providing housing, support, advocacy, and opportunity to individuals and families across Long Island. Their work has remained especially rooted in standing beside those most in need and helping them find a path toward greater stability and independence.

As Mercy Haven celebrates in Masquerade style, we are proud to honor two women who have spent their lives looking beyond the masks the world too often places on people - poverty, homelessness, mental illness, and disability - and recognizing the human being beneath.

Sister Patricia Griffith and Sister Kathleen Nolan have taught us that dignity has no disguise, compassion sees beyond appearances, and everyone deserves to belong. For their vision in creating Mercy Haven, their tireless advocacy, and their lifetime of service to those most in need, we honor them with profound gratitude and celebrate the enduring legacy they have entrusted to Mercy Haven to carry forward.
