

Consumables:

- Copy paper
- Rolls of vinyl for heat press and sticker making
- 3D printer filament
- Lumber (sheet goods, dimensional boards, hardwood, etc.)
- Paint
- Mat board
- Sewing thread
- Felt
- Craft foam

Electronic components:

- 1 Arduino Uno -or- Sunfounder Uno
- Arduino and breadboard platform
- 330Ohm resistors
- Triple Output LEDs
- Breadboards
- Potentiometers (10kOhm)
- 10kOhm resistors
- Soldering irons
- USB Cables: A to B, 3 ft
- Tactile Button Assortments
- other resistors of different values

Other tools and equipment:

- Paint brushes
- Sewing machines
- Dremel tools
- Mobile storage units
- SD cards
- Lavalier microphones
- LEGO
