2. Students should follow the steps provided in an email from goldman@tulane.edu to schedule a Welcome Meeting.

3. Then students attend the Welcome Meeting to discuss the request with one of our staff members as part of our interactive process for determining accommodations.

4. Our staff will process the request; this processing may take a few business days (48-96 hours) after the student’s meeting. A timeline or other considerations will be communicated to the student during this meeting.

5. Students follow the steps detailed in the accommodation determination email, including activating their accommodations.
