

# Work Ethic

## What can your good work ethic do?

When Norco's workforce is composed of employees with a strong work ethic it provides several benefits to you and the company as a whole.

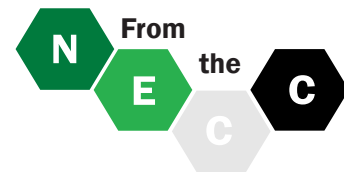

**Increased Productivity:** Those with a strong work ethics take their work seriously and devote their working hours to going above and beyond what's required of them. Their passion for their job means that they'll complete tasks quickly and to the best of their ability.

**Advancement for High Quality Employees:** Staff who have a good work ethic are often good candidates for leadership positions. Their positive behaviors can become a model for others while serve as a motivational supervisor or manager. Ootentially improving productivity and happiness at work. Who doesn't want to be happier at work?

**Creation of a Respectable Workplace:** A strong work ethic is often shown through professionalism toward leaders and co-workers. The more employees demonstrate this behavior and lead by example, the more respectable our in the workplace act and feel.

Employees with a good work ethic are highly engaged at Norco and tend to show passion with their tasks and projects. They're reliable while they consistently produce high quality results. When we as individuals work towards developing these characteristics in ourselves, no goal is insurmountable.

**Go Green! Go Norco!**
