Student Success Story Miriam Andres - Kings Canyon Adult School

Miriam was born in Guanajuato, Mexico, migrating with her family to the United States when she was 4 years old. She attended Kingsburg High School, but dropped out to raise her son. Miriam enrolled at Kings Canyon Adult School and graduated in 2013 with her high school diploma.

Miriam states, "I was a single mom at the time but attending this school helped me get through my education and life a lot more smoothly. I enjoyed attending Kings Canyon Adult School because teachers and staff were interested in my success".

After graduating, Miriam transferred and completed her Associates Degree in Liberal Studies at Reedley College. With the completion of her AS degree, she is currently working as a substitute for Kings Canyon Unified School District while attending Fresno Pacific University to become a Social Worker.

SCAEC Board Members Receive Awards

Partnerships To Unlock Social Mobility 2.0

The California Workforce Association is hosting a series of regional meetings focused on serving the re-entry population and connecting them to regional career pathways.

The meetings will bring key workforce and corrections partners together to catalog their successful strategies for serving re-entry populations and to identify services and partnerships that are needed to connect proven supply-side strategies for the re-entry population with demand-side regional workforce successes.

The Central Valley North meeting will be held on Thursday, May 31, 2018 in Modesto, CA. There is no fee to attend.

COABE NCSDAE Legislative Alert

On February 9, President Trump signed a Continuing Resolution that includes significant increases in Non-defense

Discretionary spending and offers the opportunity to increase funding for Adult Education, among other programs.

Now, each Appropriations Committee must decide how to allocate its new funds. This is a unique opportunity to increase funding for Adult Education by \$100 million (a roughly 17 percent increase).

AEBG Report on Implementation and Effectiveness

The Preliminary Report on the Implementation and Effectiveness of the Adult Education Block Grant Program is now available on the AEBG website.

To ensure that AEBG funding accelerates adults into employment, living wages, and full engagement in society, AEBG state legislation requires the the Chancellor of the California Community Colleges and the State Superintendent of Public Instruction submit reports to the Legislature. This is the preliminary report, with the final report due March 1, 2018, and it addresses the key requirements of the legislation, the evolution of California's adult education system, and recommendations.
