Bay City Department of Public Safety Announces new Smartphone App

BAY CITY, MICH. – Bay City Department of Public Safety is excited to announce the release of a custom smartphone application. This app will serve as an innovative way for the organization to connect with Bay City residents and visitors, providing information quickly and efficiently to anyone with a smartphone.

The app was developed by ThePoliceApp.com, a brand of OCV, LLC., which specializes in mobile app development for police departments and public safety organizations across the country. This app offers quick access to items of public interest and is easy to use. In just a few clicks, users can access features such as:

- Director's Corner
- Law Enforcement Operations
- Fire Operations
- Community Feedback
- News & Events
- Opioid & Addiction Resources
- Contact Us
- Submit A Tip
- More!

“Over 80 percent of people in the United States own and use smartphones as their primary means of communication,” OCV Partner and CRO Kevin Cummings said. “Mobile apps offer agencies a better way to alert, inform and prepare the public. Apps allow public safety agencies the ability to reach and serve their citizens where they are: their smartphones.”

The Bay City Department of Public Safety app is available to download for free in the App Store and Google Play by searching “Bay City Public Safety, MI” or by [clicking here](#).

The Bay City Department of Public Safety provides 24-hour law enforcement, fire, and emergency medical service. The sworn, civilian and volunteer staff of the Bay City DPS is committed to excellence and we are dedicated to providing the best possible public safety services to citizens of Bay City and all the people visiting our community.
