Attention is called to the fact that not less than the minimum salaries and wages as set forth in the contract documents must be paid on this project, and the contractor must ensure that employees and applicants for employment are not discriminated against because of their race, color, religion, sex or national origin.

Due to the funding source of this contract being through a Community Development Block Grant (CDBG), a contractor does not have to be deemed a Responsible Contractor, per City Ordinance 2021-14 Chapter II, to submit a bid. However, the low bid contractor must be deemed a responsible contractor prior to bid award. The City of Bay City has absolutely reserved the right and prerogative to reject any or all bids as well as to waive any irregularities and informalities. The award of the contract, if it is awarded, will be to a responsible and responsive Bidder whom the City Commission, in its sole discretion and judgment, determines will be in the best interest of the City of Bay City, and which will not exceed the funds available for the project.
