

MAKE EDUCATION THE TOP PRIORITY

PROVINCIAL ELECTION 2025

When a candidate knocks on your door, ask them about their commitment to public education in Newfoundland and Labrador.

How will you ensure teachers' voices are heard in decisions affecting the classroom?

What's your plan to recruit and keep qualified teachers in the province?

What concrete steps will you take to reduce class sizes to improve learning conditions?

How will you address concerns raised about the Education Accord NL report?

What steps will you take to keep students and teachers safe in school environments?

What is your long-term vision for the entire K-12 education system in this province?
