- Module 9 - [Diabetes at Camp: Continuous Glucose Monitors & Integrated Insulin Pumps](#)
- Module 10 - [Diabetes at Camp: Ketones & Sick Days](#)
- Module 11 - [Diabetes at Camp: Overnight Diabetes Management](#)
- Module 12 - [Diabetes at Camp: Required Camper Diabetes Information](#)
- Module 13 - [Diabetes at Camp: Problem-Solving: Behaviors Affecting Glucose Management](#)

Continuing Education

The American Diabetes Association created Diabetes at Camp modules for which you can receive CEUs through the Alliance for Camp Health. This course is an online, self-paced educational series. <https://allianceforcamphealth.org/education-and-resources/online-education-center/>
