

CLEMSON UNIVERSITY

# AMIC-INDUSTRY COLLABORATION WORKSHOP

**MONDAY AUG. 10**

**This half-day workshop is designed to strengthen collaboration between industry and the Department of Materials Science and Engineering at Clemson University.**

## Why Industry Leaders Should Attend

- Experience AMIC's advanced capabilities
- Network and build meaningful connections with Clemson faculty, students and researchers as well as fellow industry leaders
- Influence the future workforce
- Contribute ideas that will shape hands-on learning experiences and benefit both students and employers

## Workshop Agenda

**Monday, Aug. 10 from 8:30 a.m.–1 p.m.**

**Clemson University Advanced Materials Innovation Complex (AMIC)**

| | |
|---|---|
| **8:30 a.m.** | Arrival and Breakfast |
| **9 a.m.** | Presentations and Open Discussion |
| **11 a.m.** | AMIC Laboratory Tours |
| **12 p.m.** | Working Lunch & Call to Action |
| **1 p.m.** | Adjourn |
