the WorldCafé™ - St. Pete

What is YOUR vision for the future of St. Petersburg?

Are you brave enough to start a conversation that matters?

The City of St. Pete and a team of partners is assembling a diverse group of trained World Cafe hosts to hold courageous and compelling conversations about topics that are important to our community.

We will educate up to 50 people from all walks of life who live, work, study, pray or volunteer in St. Pete who want to take this exceptional training at no financial cost. (The Signature World Cafe Training is typically $800). In exchange, participants will "pay it forward' by making some community commitments to share what they have learned.

The Search for Leaders is On!
