

PROMISES MADE... PROMISES KEPT

Proven Conservative. Trusted Servant. Effective Leader.

Almost four years ago, Marty Haynes was elected Assessor of Property on a promise to bring a conservative business approach to county government and modernize the Assessor's Office so it is more efficient, accountable and responsive to property owners.

Marty's record as your Assessor shows he has kept this promise to you:

- ✓ Marty eliminated the employee take-home car policy and made other operational changes to the office, all of which helped create a budget savings of more than \$500,000 to the citizens of Hamilton County.
- ✓ Marty expanded office hours to be more available and responsive to property owners.
- ✓ Marty's achievements continue to be recognized by his peers, most recently with the 2019 Leadership Award after naming him the 2018 Assessor of the Year for East Tennessee.
- ✓ Marty's leadership as Assessor of Property has earned Hamilton County its first "Three Star Certification" for operational excellence.
