

## 2022 MEMBERSHIP AND BUSINESS RESOURCE DIRECTORY

Dear Chamber Member,

The NE Chamber is in the process of updating our 2021 annual publication and has once again partnered with Town Square Publications to produce our 2022 Membership and Business Resource Directory. This publication will promote your business directly to top business leaders across the state. Additionally, the NE Chamber staff distributes this resource directory across the state at NE Chamber events.

The Membership and Business Resource Directory is a remarkable promotional tool for all NE Chamber members. It's highly visible and a publication that business owners, developers and job seekers keep on hand for easy reference to the top businesses across the state.

In addition, the online Membership and Business Resource Directory will feature participants' digital marketing packages, which include digital business named banners linked directly to their business sites, and promotional videos that can be viewed on the Chamber website at [www.nechamber.com](http://www.nechamber.com) and Town Square's National Profile Network, further extending the exposure of your advertising message and increasing your search engine optimization.

\*\*\*If your business is focused on hiring **veterans** or involved in **workforce development**, please reach out to promote yourselves through our advertising and digital programs.
