

# MENTAL HEALTH IN THE CLASSROOM: WRITING AS THERAPY

Hosted by:  
*The South Metropolitan Higher Education Consortium's  
Writing Across the Institutions Sub-Committee*

**Can you identify the first signs of mental health issues? Have you read an essay that details abuse or depression? How do you grade such an essay?**

We invite you to learn about these questions and more as we hear from a panel of guest speakers including counselors, faculty and staff from outside organizations that work with in the mental health field.

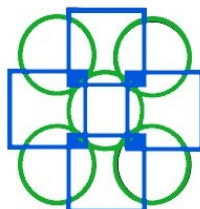

**When: September 28**  
1:30-3:30 p.m.

**Where: Governors State University**  
1 University Parkway  
University Park, IL 60484
