

- 1 in 5 children in NJ go to bed hungry each night.
- 63% of elementary school teachers in NJ say that hunger affects children in their classrooms every day.
- The JFCS Food Pantry provides fresh, frozen and shelf stable food to nearly 1,500 people each year.
- JFCS now delivers over 70,000 meals-on-wheels each year to homebound seniors in Northern New Jersey.

The Wheels-for-Meals Ride to Fight Hunger funds LOCAL programs for LOCAL community members. We are literally feeding your neighbors, your children's school mates, the seniors in community.

Why should you to register for the Wheels-for-Meals Ride to Fight Hunger?

- Our ride allows us to feed people.
- It helps to pay for the more than 70,000 meals on wheels our agency now delivers.
- It helps to fill the food pantry, currently serving over 1,500 people each year.
- And it gets people talking about hunger understanding that it's a local problem right here in our own community.

But why else do we ride?

- Because it's FUN!
- It's a great day!
- It allows us to engage with members of the community who believe, as we do, that we can do great things if we all work together.
- The ride allows us to do a hands-on project with our kids, showing them that helping people isn't scary or a drag.
- It allows us to lead by example, talking to friends and family about an issue that's important to us.
- It gets us into the fresh air, gives us great exercise, all while doing something
- It's a feel-good day that lets us hold onto those good feelings for a long, long time...

This year, we'll give you even MORE reasons!
