

Lake of Bays  
Township  
Public Library

# Growing Together

A New Chapter for Our Community

# About the Project

The Lake of Bays Library is excited to be partnering with the Township to complete a significant renovation and expansion of the Dwight Branch of our library system. This project will expand services, programming and gathering space for residents and visitors.

- An additional 3,000 sq feet
- Redesign of existing library space
- Technology to support small business, students and those who work from home
- A flexible multipurpose room for programming, learning and community gatherings
- An enhanced children's area to promote the love of reading and lifelong learning
- An open area for individuals and small groups to meet
