

NOTICE OF PUBLIC OPEN HOUSES & PUBLIC MEETING
CONCERNING A NEW TOWNSHIP WIDE COMMUNITY PLANNING PERMIT SYSTEM

As required, under Section 26(9) of the *Planning Act*, the Township of Lake of Bays is reviewing and consolidating its two existing zoning by-laws (Development Permit By-law 2004-180 and Comprehensive Zoning By-law 2004-181) and creating a new Community Planning Permit System (CPPS) to implement the policies of the Township's Official Plan. This system will clearly identify development rules and requirements applicable throughout the entire Township.

The new Community Planning Permit System applies to all lands within the Township.
