# NOW CASTING

CANADIAN SUMMER HOMES

**CBC is casting singles, couples and families  
for The Stats of Life!**

**Apply if this sounds like you or someone you know:**

*Did you and your family just buy a summer home (cottage/cabin/lake house)  
and this is your first season owning it*

*Have you had a summer home/ compound in your family for years and you're  
in the process of renovating/selling/expanding it with your family*

*Are you looking for a four season summer home so you can escape the city  
grind and eventually retire there*

*Maybe you grew up going to summer cottages/cabins/retreats, but the market  
is so expensive, that you can't afford to buy so you bought into a timeshare*

**We are looking for families and people of all ethnicities, all  
religions, all genders!**

This unique and positive TV series explores how families and individuals across the country really live. The show features statistics and graphics to compare/contrast different households.

Filming takes place this summer/fall. **FOUR DAYS** of filming.
