

The Official Plan is Being Reviewed, and We Need Your Input!

Open House to present Draft Preliminary Policy Directions

The Town is reviewing its Official Plan; a document which considers the Town's unique circumstances and identifies a vision as well as policy direction to guide future land use change and development.

Over the past several months, Town staff and its planning consultant, WSP Limited, have been working with an Official Plan Review Working Group, appointed by Council, to prepare background information in support of the Official Plan. Based on that information, the Planning Consultant has prepared a Preliminary Policy Directions Report, which establishes a framework for the Official Plan to be prepared. The policy directions contained in this report do not represent the proposed policies to be integrated into the Official Plan, but rather the foundation upon which the new policies will be prepared.

A copy of the Preliminary Policy Directions Report and other information on the project is available on the Town's Website at huntsville.ca/opreview. As the Town wishes to hear your feedback on the Preliminary Policy Directions Report, two Open Houses have been scheduled and will include:

- a brief presentation providing an overview of the project, and the Preliminary Policy Directions; and
- an opportunity to provide input on the information presented.

The date, time and location of the two Open Houses are as follows:

Waterloo Summit Centre for the Environment
87 Forbes Hill Drive, Huntsville
September 9th, 2017 • 9:00am – 11:00am

Port Sydney Community Hall
607 Muskoka Road 10, Port Sydney, ON
September 28 • 6:00pm to 8:00pm

For any questions or for special accommodations related to this Open House, please contact Kirstin Maxwell, Manager of Planning at kirstin.maxwell@huntsville.ca or (705) 789-1751, ext. 2351.
