

Lake of Bays Town Hall

January 25, 2025

Reflecting on the Past Year

A milestone year for MAHC!

Key Achievements – Partnerships

→ Physician-led Local Education Groups

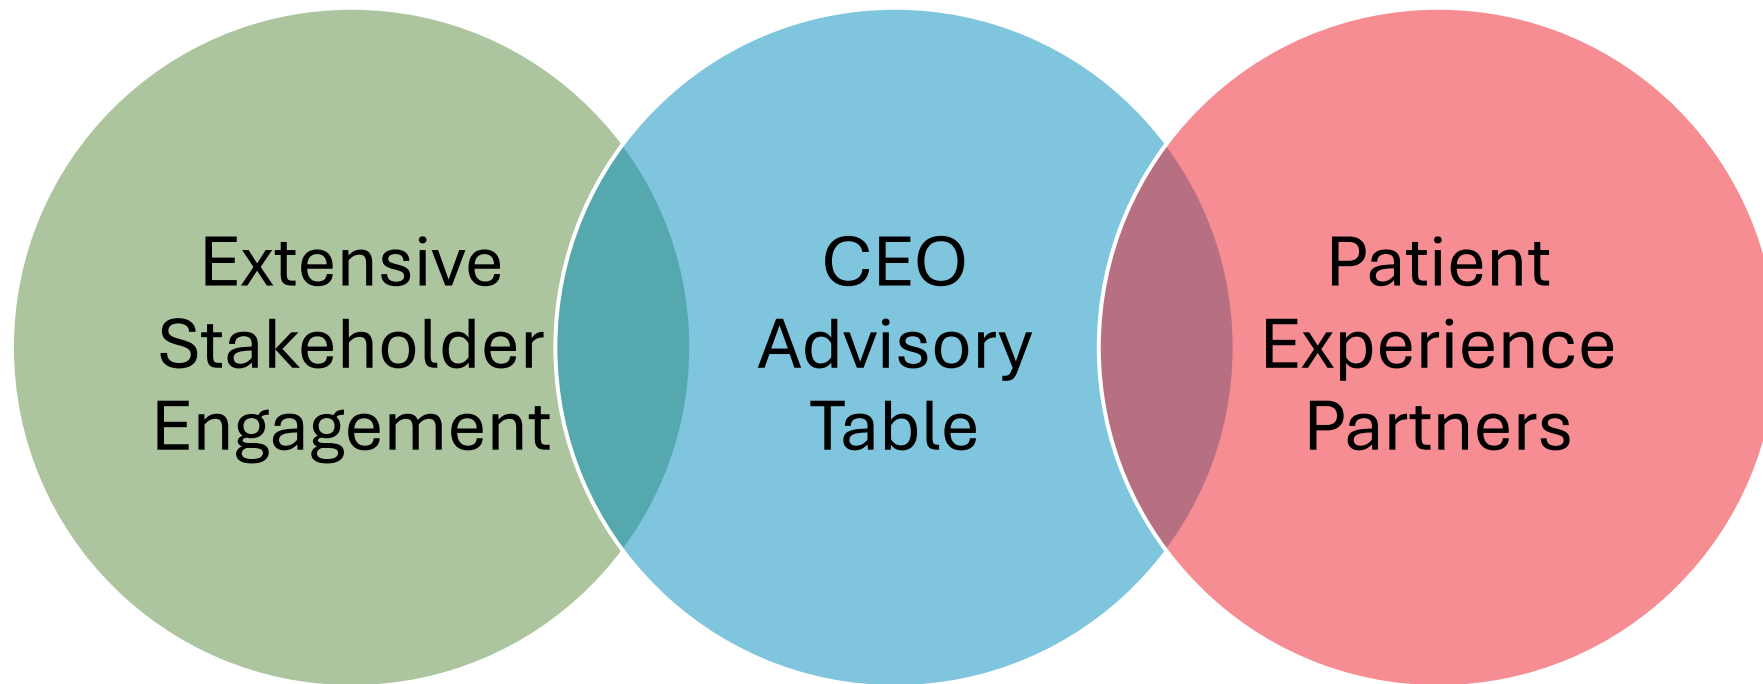

→ The Alexander Muskoka Residence

→ Muskoka and Area Ontario Health Team
(MAOHT)

Key Achievements – Community Engagement

Strengthening Community Ties

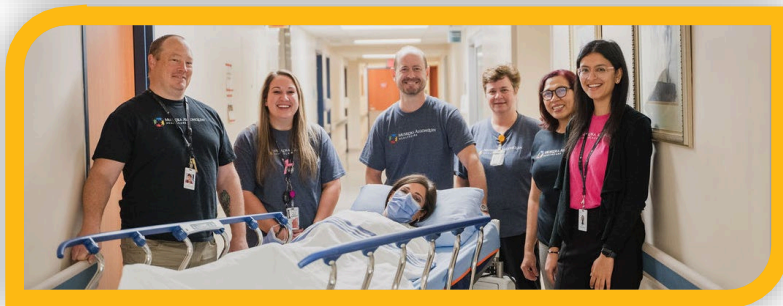

The cornerstone of our success.

→ New Bone Mineral Densitometry Machine

→ Reinstatement of Heart Function Clinic at SMMH

→ Seamless and coordinated care with MAOHT

Looking Ahead to 2025

New Services & Programs

Expansion of Diagnostic Services

With the completion of the donor-funded MRI, MAHC will provide faster, more accurate diagnoses, reducing the need for residents to travel outside the region.

Enhanced Engagement

The refreshed Strategic Plan features a comprehensive communications and stakeholder engagement strategy, prioritizing transparency and collaboration.

Capital Redevelopment Update

One of the most groundbreaking initiatives in MAHC's history.

Discover the vision of Made-in-Muskoka Healthcare.

Stage 1.3 Submission

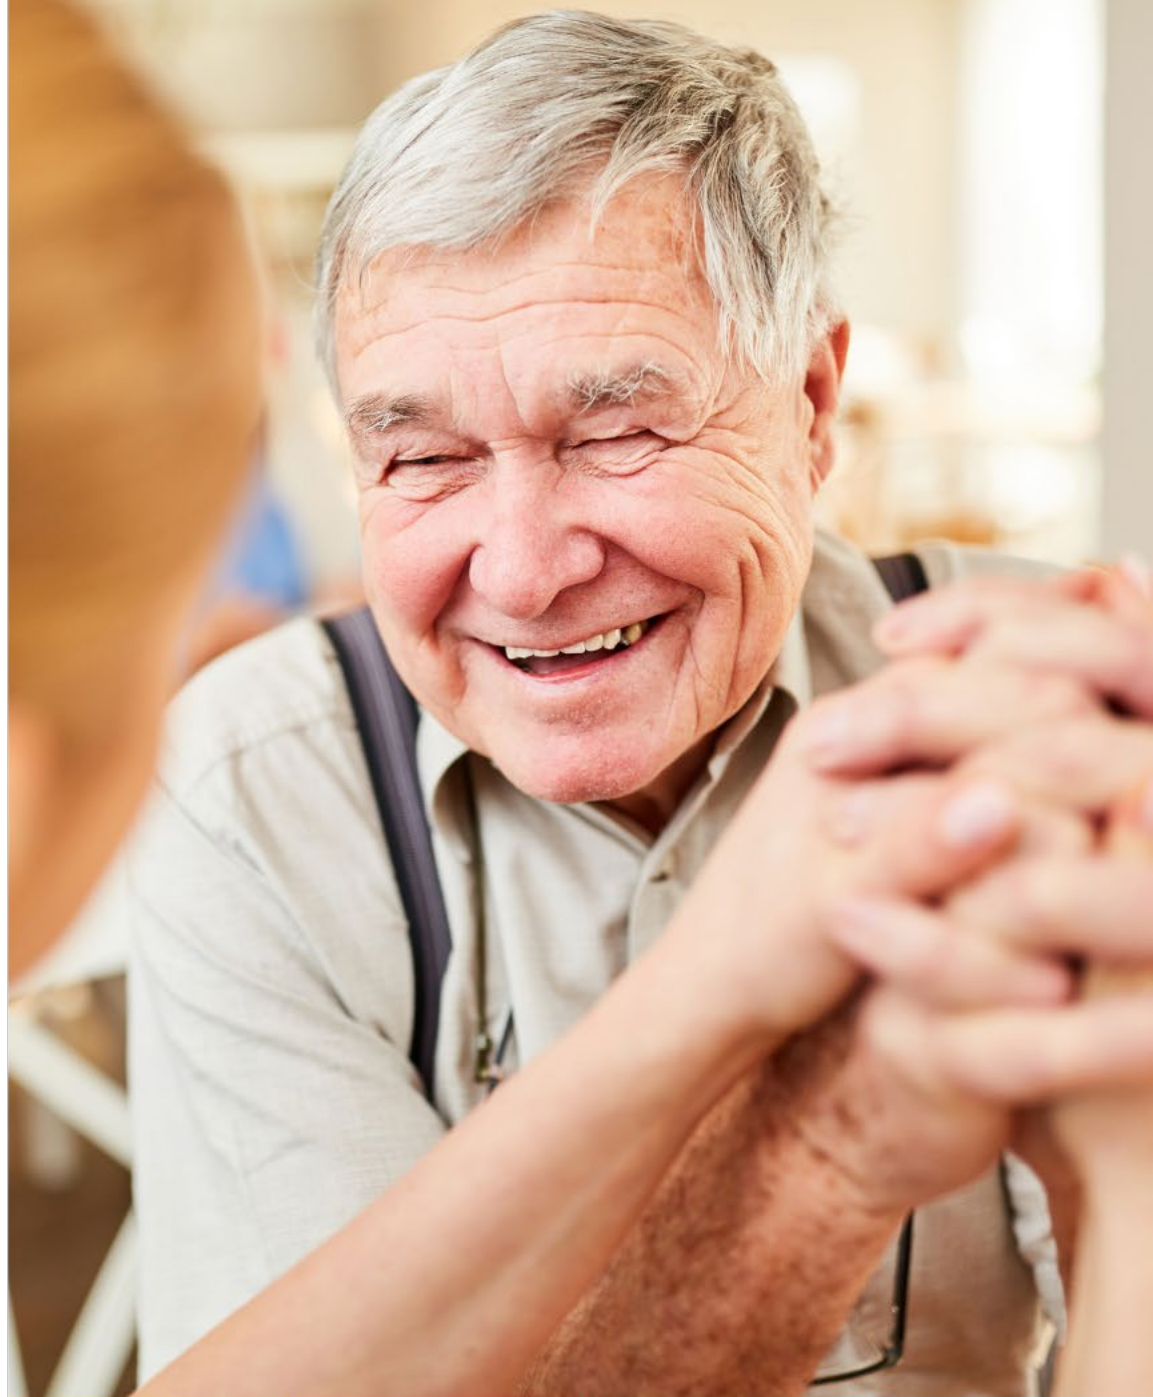

- Modern Design Approach
- Current Cost Estimates
- Sustainability Approach

Community Involvement

- Input from town halls, surveys, and the CEO Advisory Table has been crucial in shaping this plan.

Infrastructure Investment

Significant progress has already been made in preparing for the redevelopment:

- One organization, multiple locations
 - A single hospital approach across multiple locations
- Burk's Falls (Diagnostics)

BRACEBRIDGE

46 

Acute Care (≤ 6 days)

4 Level 2 ICU

1 Obstetrics

41 Medical Surgical

HUNTSVILLE

121 

10 Level 3 ICU

2 Obstetrics

31 Medical Surgical

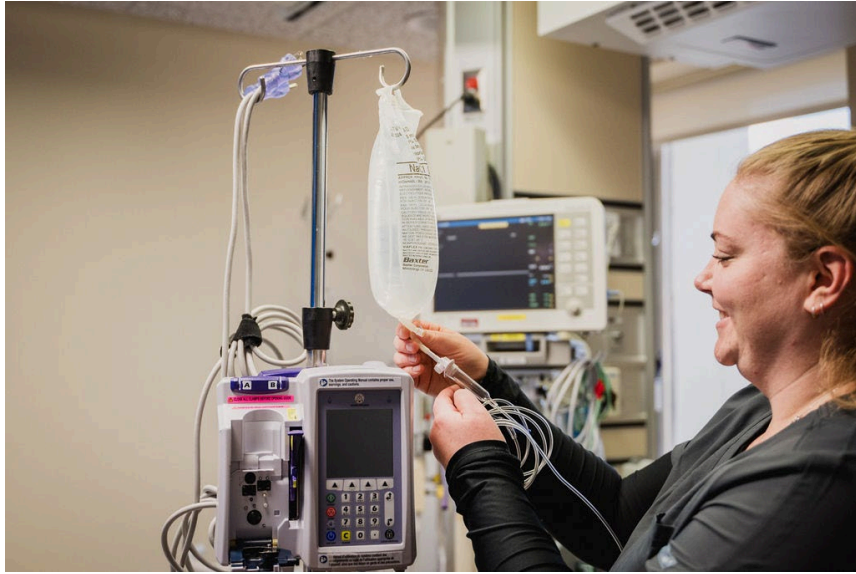

14 Stroke/Acute Rehab

64 Reactivation

What's Next?

WHY THIS MATTERS

Thank You.

Together, we're building a healthier future for Muskoka.
