Enrollment: The Four Housing Status Categories

- Parents/Guardians living in emergency or transitional shelters.

Hotel/Motel

- Parents/Guardians living in hotels, motels, trailer parks, or camping grounds due to lack of alternative adequate accommodations.

Doubled Up

- Parents/Guardians in a shared housing situation due to loss of housing or economic hardship.

Unsheltered

- Any other non-permanent housing not covered above (i.e. living on the streets, in abandon buildings, cars, substandard housing, bus or train stations, etc.)

DC Residency Verification

- Residency Verification is a method used to ensure free public education for all students who are **bona fide residents of the District**.
- A bona fide resident: – **Establishes physical presence** in the District of Columbia; and **submits valid and proper documentation** upon initial enrollment.
- The Residency Verification method verifies the bona fide status of an enrolling person who is **legally allowed to enroll the student at the time of enrollment** (or within 10 calendar days) by confirming that the enrolling person has:
 - Established residency in the District of Columbia;
 - Established residency annually; and
 - Had their residency verified annually by DCPS.

DC Residency Verification Cont...

Annually, OSSE updates the DC Residency Verification (DCRV) forms which all enrolling District residents must use to confirm bona fide District Residency.

- By signing the DCRV, families agree to notify school of any change of residence within three school days
- If student moves outside of DC, contact us immediately

DC Residency Proof: Three Methods

- A. **HIGHLY RECOMMENDED!!!** School Official Verification OR Office of Tax & Revenue <https://sled.osse.dc.gov/> (Parent/Guardian top tab)
- B. **Personal Document Submission** (see next two slides)
- C. **Home Visit** (after school reopens and only after all other options have been exhausted)

NOTES:

- **DC RESIDENCY MUST BE PROVED WITHIN 10 DAYS OF ENROLLMENT.**
- **Due to the ongoing OSSE investigation, DESA conducts monthly audits in advance of the official enrollment audit in October. At the time of the monthly audit, if your information is incomplete, we will reach and need prompt attention to finish the residency verification process.**

Most Common Proof Options: **Method B**

One of the following:

- Valid paystub with only DC withholdings
- Current document of DC Government Financial Assistance
- Certified D-40 from the Office of Tax and Revenue (bearing stamp)
- Current military Housing Orders
- Embassy Letter

-OR-

Two of the following:

- Current DC Gov't issued identification
- Current DC Motor Vehicle Registration
- Valid lease of rental agreement with a separate receipt of payment (within 2 months)
- Valid utility bill (electricity, gas, or water bills only) with separate proof of payment within 2 months

OSSE Covid-19 Considerations

Valid driver's licenses, identification cards, and vehicle registrations that expired March 1, 2020 through the duration of the public health emergency are acceptable valid supporting documents for residency verification if presented to the LEA on or before 45 days after the public health emergency concludes.

Non-DC Residents & Tuition

Incoming

- Ellington has limited spaces for non-DC residents
- All non-resident students must have a signed tuition agreement and first payment on file with OSSE before they are eligible to receive educational services.

Returning

- Previous year's bill must be settled by 7/15
- All non-resident students must have a signed tuition agreement and first payment on file with OSSE before they are eligible to receive educational services.
- Transitioned out of DC? 9th – 11th grade: If you have moved out of District, seat availability will be reevaluated by DCPS and DESA. Seat availability is not guaranteed and immediate withdrawal may be necessary. If a seat is available, you will reapply through MSDC and be forwarded to OSSE to arrange a tuition agreement.

DESA SY21-22 Enrollment Notes & Best Practices

Keep an eye out for an enrollment reminder email (likely this Thursday) to include a brief document recapping key information about enrollment along with some best practices to help you get through the process quickly and easily.

Common Residency Questions

“I live in MD, but my child(ren) stays with their grandparents, who live in the District, while I am at work. Does this make my child(ren) eligible to attend DC public school without paying tuition?”

No. The grandparent(s) would have to meet the strictly defined criteria outlined on the Other Primary Caregiver (OPC) Form.

Common Residency Questions Cont...

“I own a home in DC and use it as a rental property. Can I use that home to prove residency?”

No. A bona fide resident is defined as a person who has established a physical presence in the District. Just owning a property in DC does not make you a resident for the purposes of attending a DC public school, you must also use it as your primary residence.

Common Residency Questions Cont...

“ I don’t live in the District but I am a employee of the District, can I enroll my child(ren) without requiring to pay tuition?”

No. As an employee for the District but not being a bona fide resident you would still need a tuition agreement and could not enroll before any DC residents. There are no scholarships or discounts provided for being a District employee.

Common Residency Questions Cont...

“I don’t live in the District but my child(ren)’s other parent is a resident of the District. Can my child(ren) attend?”

Yes. If one parent is a bona fide resident and provides document to prove residency. The DC resident parent should be the one to enroll the child(ren) in a DC public school (custody exceptions).

Post-Enrollment Address Change?

Email dukeellingtonenroll@k12.dc.gov as soon as possible and **within three days of your relocation**

- **DC -> DC** and **Non-DC -> DC**, residency verification will be required
- **DC -> Outside of DC**, tuition agreement will be required (unless extenuating circumstances apply, for example, the student is in foster care or a Ward of the State).
