

SNA of Ohio
October 2024
President's Message

Dear Members of the School Nutrition Association of Ohio,

I cannot believe it is already October! I am so honored to be your SNA of Ohio President for this school year.

First, I want to extend my gratitude for your dedication and commitment to ensuring that Ohio's students receive healthy, nutritious meals every day. Your hard work and passion continue to positively impact the lives of thousands of children across our state, and I am SO proud of our membership.

Secondly, I want to take a moment to recognize the incredible impact of our partnership with the Ohio Department of Education and Workforce during our Expo & Educational event this past September at Cherry Valley Lodge. We had a total of 235 School Nutrition staff attend at NO cost and I hope you all took away valuable insights and had a great time networking with our Industry partners AND the Ohio Department of Education and Workforce staff throughout the event. We cannot wait to hopefully continue this partnership next school year!

I encourage you to take full advantage of the resources and networking opportunities provided through the SNA of Ohio membership. For myself over the years, this association has provided not only valuable professional development opportunities but has shaped me into the leader I am today AND an added bonus - I've created some great friendships along the way.

I am excited about our annual conference in June. I hope to see as many of you there as possible! Don't forget to take advantage of our scholarship opportunities.

It is truly an honor to serve as your President this school year, and I am confident that, together, we will continue to make a lasting difference in the lives of the children we serve.

Best,

Kelsey Warren
President, School Nutrition Association of Ohio
