

SNA of Ohio Virtual Expo

FREE to SNA of Ohio School District Members

Launching November 10, 2020 and available through January 31, 2021!

SNA of Ohio is so pleased to present this event to our current school district members - at no charge, as an additional offering since the 2020 SNA of Ohio Annual Conference was cancelled, and the 2020 Annual Expo is postponed to April 16, 2021!

From the Show Floor is the first K12 on-demand video library where school nutrition professionals can find episodes highlighting their favorite vendors and products, accessible for viewing at your convenience through January 31, 2021.

What makes this different from other virtual expos out there right now? We staged an actual tradeshow where vendors set up their booths, and our onsite "attendees" (Marlon and Amanda from First Taste TV!) visited each booth to check out products! In this virtual format, viewers are provided the opportunity to experience the actual show floor through the power of video!

SNA of Ohio school district members may register and receive unlimited access to an incredible website displaying our virtual vendor library!
