- No. of Nights Stay:
- 3, 4 or 5-star Hotel:
- Twin, Double or Single Rooms:
- No. of Golf Rounds:
- Golf Courses Required (if known) Old Course + New, Jubilee or Castle Course:

St Andrews Old Course Ballot Package

The only other way to try and obtain a tee time on St Andrews Old Course is via the Ballot/Lottery system. Nearly 50% of the total number of tee times on the Old Course each year are allocated to the Ballot. It is drawn 48 hours in advance. Golfers should provide their names, home club and handicap details (24 for men and 36 for women) before 2pm 48 hours before the day before they wish to play. The draw will be made shortly after that and the results posted by 4pm each day. If successful the **green fee is paid directly on the day** to the Old Course starter. Please note, pull carts are not permitted before 12pm.

An Old Course Ballot Package means we will manage the ballot entry/entries for you. This can normally work out around £1,200 per person less expensive than a St Andrews Old Course Guaranteed Package.
