

REGINA CAELI™
Classical Homeschool Hybrid

ATTENTION FAMILIES WITH CHILDREN:

We will be hosting an Information Session to examine a hybrid Catholic Home School option on the campus of St. Cornelius.

Students K-12 attend classes on Mondays and Thursdays and follow the integrated curriculum, at home, during the remainder of the week.

This structure offers students a Traditional Catholic Education at approximately half the cost of a Traditional Catholic school.

Curriculum includes: Reading, Writing, Latin, Mathematics, Music, Debate, and the Visual Arts.

Scan the QR code below to register for the information session (*date to be determined*).
