

- **Principles of Genuine Leadership** Teams want to be led by someone who exudes a sense of purpose, strength, and vision for the future. Discover how to be a leader who inspires, motivates, and recognizes that they don't "have it all," works to bring out the best in others so as to curate a truly great team. In this course, you will learn how to: develop a personal and professional "Leadership Profile;" utilize essential skills of successful leaders by exploring your mission and vision; identify and accentuate your leadership strengths; understand and motivate individual performers into action; and cultivate relationships for the long term. \$79 | 1 session, Instructor: Ginny Campbell
