

# Learn how to plan for health care costs in *R*etirement

Join Kim Luthy for a presentation on how to be  
prepared for health care costs in retirement

*Trust. Legacy. Confidence.®*

## Learn

Health care is a consistent primary concern of retirees and pre-retirees as they consider their post-employment finances. The following topics will be discussed in efforts to avoid this concern:

- Retirement income challenge
- Understanding Health Care
- Creating a plan to address health care costs
- What Medicare covers and what costs are paid out-of-pocket
- Personal health care assessment

## Enjoy

Great conversation on important topics and opportunity for Q&A
