Production and Import of R22 to be Phased Out by 2020!!!

As you well know, the Montreal Protocol will bring the production and import of R22 to an end *next year*. R & H Supply has alternative refrigerants to not only help you save the ozone layer but to ensure these regulations don't prevent you from continuing to operate a successful HVAC/R business.

Communicate at the Speed of Text!

Time is Money!!!

Did you know that R & H Supply Company now offers real time mobile text support via mobile text and picture messaging? Simply text any inquiries, including pictures to: (334) 832 - 4666 during our regular business hours, and we will get back to you ASAP!
