

Registered Nurse – FULL TIME – TUES thru SAT – NO NIGHTS – NO HOLIDAYS – NO CALL

Gain valuable experience through meaningful interactions with patients in the inspiring field of abortion care.

Full-Time Hours available Tues-Saturday at Atlanta Women’s Center, a state licensed ambulatory surgical center located in the Buckhead neighborhood of Atlanta. AWC has delivered excellence in abortion and reproductive healthcare for over 40 years, always at the forefront of best practices in our field. Our team members are committed to advocating and caring for women seeking legal, safe, compassionate abortion care, in addition to assistance for adoption services and prenatal care.

Responsibilities include (Experience in one or more preferred):

- Pre-procedure medical assessment
- Recovery Room nursing
- Participating in training of student nurses
- Assisting in the education of practitioners in abortion care
- Contributing to various research programs

Our team welcomes empathetic, committed, experienced RNs with a strong work ethic, sense of humor and a desire to be a part of a team. The right candidates want to make a difference in the community, work with a diverse patient population, are able to multi-task and appreciate being challenged by a fast-paced work environment.

The ideal candidate must possess:

- Strong communication skills
- Excellent patient care skills
- Basic computer skills (EHR experience a plus!)
- Ability to lift 50 pounds unassisted
- Active Georgia RN license
- IV insertion experience preferred
- Bilingual candidates preferred, but not required. Staff members who speak more than one language interpret for non-English speaking patients and their loved ones throughout their experience

New graduates are welcome to apply, some patient care experience is required.

AWC is committed to continuous improvement and we believe that all people must have access to high quality, compassionate and respectful reproductive healthcare. AWC is an active member of the Abortion Care Network and accredited by the National Abortion Federation and GA Department of Health. AWC values staff development and growth, and offers many learning opportunities at national conferences.

Full-Time hours Tuesday through Saturday – no nights – no holidays – no call

Benefits: competitive salary, medical, dental, vision, life, Aflac, 401k with employer match.

Equal Opportunity employer
