

RN

Southwestern Women's Options is a privately-owned reproductive health care clinic specializing in abortion services. We have full time opening for a RN who is positive, enthusiastic, non-judgmental about abortion and interested in providing individual care. We offer a professional, supportive work environment, and salary is commensurate with experience.

Work as a Labor Doula during deliveries later in pregnancy and a salaried, rotating, weekly on call shift are mandatory. You will utilize a variety of nursing skills and enjoy a lot of patient contact; full training is provided.

Our work schedule is 30+ hours Tuesday through Friday. There is a monthly training day on a designated Monday. We have paid time off that increases for the first four years of employment and an excellent 401K program. Health insurance is offered and employer paid at 70%.

We are a unique group of people who are passionate about providing the best care and kindness to our patients. This position requires dedication, team work, a positive outlook on life, flexibility and a desire to contribute to reproductive health. If you are a professional who feels their work ethic and beliefs match ours, we want to hear from you!

A current NM license is required.

Native Spanish speakers, Spanish Fluency or Spanish language proficiency are preferred.

A cover letter MUST BE included outlining why you are interested in this position and how you would be suited to this job. Interested applicants should apply in person, by fax or email.
