

# FOSTER CARE ROUND UP

**Did you know that there is a critical shortage of families to provide care to children in need? Our community needs your help!**

- Come find out more about the world of foster care and learn how to be a part of the solution.
- Hear from the agencies that support the families that provide care.
- Hear from families that are current foster parents or that have gone on to adopt the children placed in their home.
- Talk to the agencies at information tables.

**You may never know the beginning of a child's story, but you can certainly help to rewrite the ending!**
