

AN ABA AGENCY YOU CAN TRUST

ABA (Applied Behavior Analysis) is an evidence-based treatment designed to help children diagnosed with Autism Spectrum Disorder to increase communication skills, improve attention and focus, improve social skills and decrease problem behaviors.

Beyond Behavior will be expanding to Carroll, IA January 1st, 2025

Beyond Behavior is an affiliate of the Iowa Mental Health Network and provides an individualized approach to treatment that rejects 'one-size-fits-all' outdated strategies in order to be an ABA agency that empowers families and their children to gain the skills they need to excel. All of our providers are trained in Safety Care.

Getting Out What Is Given

Beyond Behavior ABA therapy in Iowa is founded on the principle that behaviors change when individuals are given positive reinforcement and opportunities to practice the new behaviors in supportive, engaging environments.
