## MONDAY

Yoga (LS) Second Session:  
Monday, November 14,  
2022-Monday, January 9,  
2022 (No club on Monday,  
November 21, 2022,  
December 19, 26, 2022, and  
January 2, 2023)  
3:20-4:20 pm  
\$119

Yoga is an ancient healing practice known to calm the body, mind, and emotions. In this playful yoga class designed especially for elementary aged-children, children will learn yoga poses, breathing, and relaxation exercises which cultivate a calm mind, increase strength and flexibility, improve gross and fine motor skills, improve concentration, create community and give children the tools to manage stress in their daily lives. Games, stories, and music will be incorporated into this fun, non-competitive class. Each class ends with a period of relaxation and gratitude. Children should bring their own yoga mat to class.

## TUESDAY

GoSolar! Kidz: Solar Power  
your Drone  
Tuesdays, November 15,  
2022-January 17, 2022 (No  
club on November 22 and  
December 20, 27)  
3:20-4:20 pm  
\$139

Up, up and away! Enjoy fun remote-control drones charged from solar power. Your student will build a solar powered charging station for their drone. When their drone runs out of juice, they can simply charge it anywhere outdoors with their solar charging station. Your 3-6 grader will have a blast building and using real life tools such as solder ironing, drills, etc. When students are done building, they will challenge other students with their drone. In the end, students will take home a mini drone and their newly built charging station.

Karate Club  
Tuesdays, November 15,  
2022-Tuesday, January 17,  
2023 (No club on Tuesday,  
November 22, 2022,  
December 20, 27, 2022)  
4:15-5:15 pm  
\$139

LS Karate Club with JK Martial Arts

## WEDNESDAY

## THURSDAY

LS Minecraft Club  
Thursdays, November 17,  
2022-January 18, 2023 (No  
club on Thursday, November  
24, 2022, December 22, 29,  
2022)  
3:20-4:20 pm  
\$139

Minecraft Club is designed for students who love playing Minecraft and spending time with peers who share a similar interest. Students will cooperate with others to build worlds and go on adventures.

Objectives: Improved leadership skills, communication skills, social awareness, and decision-making skills.
