

Are you thinking of upgrading from your current MED-EL audio processor to RONDO 2, SONNET or SONNET EAS?

If so, now may be the time to take action. For a limited time only, we are offering a Connectivity Option with each upgrade order, including the brand new AudioLink!

Limited Time MED-EL Upgrade Offer

Upgrade to a RONDO 2, SONNET or SONNET EAS Audio Processor today and choose **one** of the following connectivity options:

| Connectivity Option: | Compatible with: |
|--|-----------------------------|
| AudioLink* | SONNET, SONNET EAS |
| Roger Select or Pen with Roger 21 | SONNET, SONNET EAS |
| Roger Select or Pen with Roger MyLink | RONDO 2, SONNET, SONNET EAS |
| Audio Adapter Cable with FM Battery Pack | SONNET, SONNET EAS |

Contact your audiologist to discuss which products are right for you. If you are in need of reimbursement support, our team can be reached at reimbursement.us@medel.com. If you have any questions about this upgrade offer, please contact your MED-EL representative or call us at **888-633-3524**.

Additional Details

- A completed upgrade order form must be received by MED-EL between July 15, 2019 and market availability of the next-generation SONNET Audio Processor (expected late 2019).
- RONDO 2, SONNET and SONNET EAS Audio Processors received as part of an upgrade kit are not eligible for exchange for the next-generation SONNET Audio Processor, even if unopened.
- Promotion valid for patients implanted in the U.S. only.

*Voucher will be delivered until product availability, expected Fall 2019.
