Storm King Distilling Company

Excited to be Open!

Come try our locally crafted spirits and cocktails

Montrose Colorado, 6/21/2018: Father and son team, Greg and David Fishering are excited to announce the long anticipated opening of Storm King Distilling Company. Many thanks to those in the community who have made our first few weeks so much fun and such a success, it's been a pleasure to host you at our brand new facility on West Main in Montrose – we hope you've enjoyed our craft spirits and cocktails as much as we've enjoyed serving them to you. We are also grateful to the many people who helped make this project come to life and who have worked so hard alongside us, to you we raise a glass and say "cheers".

Since February, Storm King Distilling Co. has been crafting a variety of spirits and we are pleased to be able to serve our first batches of Gin, Vodka and Agave Blanco. We have come up with a delectable menu of cocktails that showcase these spirits that can be enjoyed in our tasting room or on the patio. You now also have another option for locally crafted gifts, and for your own liquor shelf, as all of our spirits are available for purchase by the bottle.

Whiskey production is in full swing with over 250 gallons already aging and more on the way every day. Our barrel aging program also includes our Agave Spirit, which we will be releasing as a slightly aged Reposado and an extra aged Añejo. Follow us on Instagram and Facebook (@StormKingDistilling) to be the first to find out when these new offerings will be available and to keep up to date on happenings at the tasting room.

We look forward to seeing you at: 41 W Main St, Montrose, CO 81401. If you need sustenance while you are visiting us, don't fret, DLICIOUSFOODCO has the best and most innovative creations in Montrose on their menu for lunch, dinner and brunch on Sunday.

Distillery Hours: Thursday and Friday 4-9pm, Saturday 1-9pm and Sunday 12-5pm.
