

Gods Plan for Financing The Trinity Legacy Center

- Develop The Plan / Demolish the Problem / Design for the Future
- A church community grows great when Seasoned Saints plant trees whose shade they know they will never sit in.
- We must trust God as He reveals that this is within our reach. Moreover, as a people of faith; we will walk by faith & not by sight.
- We may have to incur some debt. However, all debt is not bad debt. This will not be an overwhelming amount of debt.
- We need 200 of us to pledge \$2500.00 = \$500,000.00
- We Need 500 of us to pledge \$1000.00 = \$500,000.00
- We Need all of us to make a sacrificial financial commitment to the Legacy Center for 2022.
- We will begin our sacrificial efforts 12-31-2021. Everyone who gives \$500 or more will have their name on a marker of remembrance in the new facility. Brick, leaf on a legacy tree, etc....
