

ABC California Legislative Day 2024

Tuesday, March 19th, 2024

Join ABC California at the Capitol to meet with your elected officials and discuss how legislation can impact member companies, journeymen, and apprentices.

- There are 15 meetings scheduled throughout the day
- We would like if you can meet your legislator where you or your business reside
- Meetings are 30 minutes long and while we will provide materials, this is your personal time to let them know about issues affecting your business locally and how the state can help
