The Free Enterprise Alliance, an entity of the Associated Builders and Contractors, is dedicated to issue advocacy and the education of ABC members, member company employees and the public on the merit shop construction agenda. FEA helps advance a free enterprise agenda by working with local, state and federal officials on legislation, initiatives and referendums that directly impact the merit shop construction industry. FEA does not advocate the election or defeat of any candidate. FEA can accept unlimited corporate and individual donations. Contributions are not tax deductible. All spending is at the discretion of FEA.
