WORKFORCE DEVELOPMENT

ABC NorCal focuses its efforts on recruitment, safety, and training. With 48 pre-apprentice and electrical trainee graduates to date in 2024, and 73 in 2023, who will hire or sponsor these skilled future apprentices and craft trainees?

Contact dominique@abcnorcal.org for recruitment and resumes.

ABC NorCal is proud to announce its 4th craft trainee & pre-apprenticeship graduated class of 2024. These students went through 4 weeks of pre-requisite electrical fundamentals and completed core & leadership fundamentals. In those 4 weeks, these students learned electrical roping 101, blueprint reading, residential wiring, OSHA 10, CPR first aid, ladder safety & fall protection, and the knowledge of what it takes to have a true passion for the trades.
