

About The Ride

Come enjoy the low-traffic, gently rolling roads of Union County, on the way to historic covered bridges. The 31, 61 and 74 mile routes will include visits to four of our area's most beautiful historic covered bridges. The 19 mile route will include one bridge.

Location & Start Times

The event will begin at Edgewood Elementary School, 203 Grove Street, Marysville Ohio. "Day of" registration will begin at 7:30 AM as will the "rolling start."

Big Darby Plains Scenic Byway

Parts of all four of our routes include sections of the Big Darby Plains Scenic Byway. The Byway features historic covered bridges, century farms, cemeteries, homes of interest, and access to the *National* and *State* designated "Scenic Waterway" ...The Big Darby Creek. By all accounts this is some of Ohio's most beautiful countryside!

Supported Stops

A rest stop featuring healthy snacks will be located at the end of the North Lewisburg Trail.
