

Help Slow the Spread of COVID-19

Monitor yourself for fever,
cough & shortness of breath

Stay home if you become sick
until your symptoms are gone

Wash your hands with soap
and water for 20 seconds

Cover your coughs and
sneezes with your sleeve

Older adults are urged to stay
home for the next few weeks
to protect themselves

For updates on COVID-19
response efforts in Union
County, follow the Union
County Health Department

FEVER

COUGH

**SHORTNESS
OF BREATH**

PROTECT THOSE YOU LOVE

Older adults and those with
chronic medical conditions are
at greater risk for severe illness
