

LUGPA in Partnership with Specialty Networks Presents:

# 2022 PROSTATE CANCER ACADEMY

June 16, 2022 – June 18, 2022 | The Westin O'Hare, Chicago, IL

## About the Event

Receive an intensive education on the most recent breakthroughs & approvals for all stages of prostate cancer. Our expert faculty will present, discuss, and debate all available preventative, diagnostic, therapeutic, and management options for prostate cancer in a highly interactive format, via didactic lectures as well as case-based and panel discussions.

## Why Attend?

You represent the future of our specialty!

Throughout this Conference, we ask that you stay engaged and provocative with your feedback. We will continue to collaborate with all of our colleagues in an effort to advance prostate cancer treatments & education.

COVID-19 POLICY. All attendees must be fully vaccinated (at least 2 weeks past final vaccination) or provide proof of a negative COVID-19 test prior to arrival. Documentation of a negative test taken within three days, 72 hours, prior to scheduled arrival at the event or a positive test result for documentation of recovery from COVID-19 from no earlier than 90 days and no later than 10 days prior to the event will be accepted. This documentation will be required upon arrival check-in at the conference. Attendees may present an original vaccination card, a photograph, scan or a digital health pass. This requirement is subject to change as we monitor the COVID landscape.
