Academic Day + All-Inclusive CASA from 7:30 a.m. to 6 p.m.	\$21,432	\$405

Tuition Refund Plan

The Tuition Refund Plan (TRP) is an insurance plan that assists families with tuition obligations in case a student must withdraw or is dismissed. The TRP annual premium is due with each student's annual tuition deposit and is calculated as a percentage of tuition.

Participating in TRP is required for families electing Payment Plans B or C and is highly recommended for families electing Payment Plan A (see reverse for Payment Plan details). Please refer to the TRP brochure, available at the School, or on our website, for additional information.

(please see reverse)

Additional Fees

Early-Bird CASA

Pending availability, students not enrolled in All-Inclusive CASA may enroll in Early-Bird CASA (as early as 7:30 a.m.) for an annual fee of \$1,200.

Other Expenses Outside of Tuition

Other expenses outside of tuition may include field trips in all programs; snack week in Toddler and Primary; and school supplies and sports in Elementary and Junior High.

Tuition Deposit and Payment Plans

Tuition Deposit

A nonrefundable \$300 tuition deposit is required to ensure your child's place for the upcoming school year. This deposit will be applied directly toward your child's annual tuition.

Payment Plans

Families are billed the full year's tuition in June (less the nonrefundable tuition deposit) and may elect one of three payment plans. All families choosing installment payments are required to use Blackbaud Smart Tuition, our tuition management partner, to make quarterly or monthly payments.

Plan A – Full Payment: Full payment due on June 1. If payment is not received by June 1, a \$150 finance charge and the applicable TRP insurance premium will automatically be charged, and the account will be converted to Plan C.

Plan B – Quarterly Payments: Four quarterly installments due in June, September, December and March. There is a \$50 annual finance charge per family for this service. Plan B also requires participation in TRP and payment of applicable annual insurance premiums for each child enrolled.

Plan C – 12 Monthly Payments: Twelve (12) installments due monthly from June through May. There is a \$150 annual finance charge per family for this service. Plan C also requires participation in TRP and payment of applicable annual insurance premiums for each child enrolled.

For families who want to bundle annual tuition with other program fees — such as summer program fees and any applicable CASA fees — we also build custom payment schedules outside these published payment plans.

Financial Assistance

Our Financial Assistance Program

Greensboro Montessori School's financial assistance program is a need-based program, which makes financial assistance available to families who cannot otherwise afford our tuition.

Financial assistance is reviewed and granted on an annual basis and is only available to students enrolling in kindergarten through ninth grade. Additionally, Greensboro Montessori School bases awards on a family's ability to afford tuition only. Before- and after-school care expenses (All-Inclusive, Early-Bird, and After-School CASA fees), as well as other expenses outside tuition, are not included.

Factors Considered in Awarding Financial Assistance

Many factors are considered in the financial assistance program, including family income and expenses; assets and indebtedness; family size; extenuating circumstances resulting in family hardship; number of children attending tuition-charging schools; and a history of tuition assistance received from extended family and other sources. Financial assistance may not be available to families in their first year at Greensboro Montessori School depending on how much financial assistance is needed to support returning families.
