

Legislative ~~Drive-In~~ 2021

ENGINEERING A BETTER TEXAS SINCE 1913

FEBRUARY 22-26 | VIRTUAL | TexASCE.org

2021 Schedule of Virtual Events

January 28 | 2:00 PM to 6:00 PM CT | *Government Relations & Public Relations University*

Don't miss this unique learning experience presented by ASCE's Government Relations Team. The in-depth, virtual training will bolster our members skills in Government and Public Relations. The training agenda is packed full of instructional sessions, group exercises, special guest speaker Anthony Fasano PE (Bestselling Author and TEDx Speaker), and activities intended to improve our abilities to communicate our message, make contact with our legislators, and ensure that we are best prepared to advocate on behalf of civil engineers and the communities we serve.

- Although this training is included within the Drive-In program, **separate registration is required**. Register [here](#). There is no additional fee to participate in this session.
- View training event agenda [here](#).
- This training will be recorded and available on-demand in February.
- For our members who have previously attended an ASCE GRU and/or PRU training, please note this training will take a deeper dive into Government and Public Relations topics.

February 4 | 12:00 PM to 12:30 PM CT | *How to Schedule Your Legislative Meetings**

Drive-In attendees should plan to participate in this short webinar to learn how to make the most of your participation. Our Government Affairs Committee will guide you through the process of identifying your elected officials and contacting their respective offices to request a virtual meeting during the Drive-In.

February 22 | 12:00 PM to 1:30 PM CT | *Welcome to the Drive-In**

Drive-In attendees will convene for a virtual kick-off with guest speakers. We will review key messaging, which includes briefing sessions on key legislation and ASCE's legislative priorities, as well as a review of materials to be provided to your elected officials.

February 23-26 | On-going | *Conduct Meetings*

Throughout the week, capitalize on this dedicated time to discuss engineering and infrastructure related issues with your elected officials.

February 26 | 12:00 PM to 1:00 PM CT | *Wrap-Up**

To conclude a productive week of advocacy for infrastructure and the civil engineering profession, join us as we recap the week's events and share your experience with your fellow members. The wrap-up will include tips and best practices for continuing to foster relationships with your local elected officials.

*Virtual meeting access links will be provided to all Drive-In registrants prior to each event.

The ASCE 2021 Texas Legislative Drive-In is a member-only event. The \$20 registration fee helps to offset materials costs and virtual meeting expenses incurred by the Texas Section. Not a member and want to join us for the event? [Join now](#), then register at www.texasce.org/legislative-drive-in.
