SOAR365

Rewarding, memorable, inspiring, joyful, life-changing, fast! These are all words that SOAR365 volunteers use to describe their service experiences.

What makes SOAR365 such a great place to volunteer?

Our mission matters. We make a difference every day in the lives of people with disabilities and volunteers are invited to join us as valued team members in this meaningful work.

What do volunteers do? Volunteers who are passionate about what we do assist with our events, help to upgrade and beautify our facilities, provide administrative expertise, and support our program staff by facilitating enriching activities and interactions for its 1,400+ people we serve. In other words, their service helps our individuals SOAR! Who volunteers with SOAR365? In 2019, more than 700 volunteers of all different ages, experiences, backgrounds, and skillsets were involved in ways that are powerful and transformative. Their gifts of time made a significant impact on the things that matter most at SOAR365 – our mission, our vision for the future, our staff, and most of all, the people we serve and their families.

How can I volunteer with SOAR365? Ready to engage in service that is rewarding, memorable, inspiring, joyful, life-changing, and fast? We can’t wait to hear from you!

To get started, please contact our volunteer manager, David at 804-482-1111 or email volunteer@soar365.org. Visit https://www.soar365.org/volunteer.

Gordon Russell
Volunteer & Ambassador

An extraordinary person serving extraordinary people

Gordon Russell has many gifts. He's an accomplished communication, entrepreneur, and artist. He's also one of the more than 700 people who volunteered at SOAR365 last year—focusing his talents in our Art on Wheels program. “I like Art on Wheels,” he says, “because it gives clients a chance to express themselves. They're not ordinary people. They are extraordinary people.” If you’re looking for a way to express your compassion and focus your talents, learn about volunteering at soar365.org.
