One Book OCL Online Book Club
Freading Instructions

Freading allows you to download eBooks for use on your computer, Android or iOS device.

- You must have a valid Ocean County Library card.
- You must have an Adobe ID.

An Adobe Digital Editions account and password are required to use eBooks.
If you do not have an Adobe Digital Editions account, go the Adobe site first and create an account:
https://www.adobe.com/account/sign-in.adobedotcom.html

- Before downloading the eBook, it is necessary to have Adobe Digital Editions installed on your computer. If you are using a mobile device or eReader, you must authorize the Freading app with your Adobe ID and password PRIOR to downloading the book.

Download the Freading App if accessing via a smartphone or tablet
1. Open the app store on your device (Google Play or the Apple Store)
2. Search for Freading
3. Install and Open the app

Download the eBook on your smartphone or tablet (applicable to Android or iPhone)
1. Install the Freading App
2. Sign in with your Adobe ID and password (you only have to do this once with the app) Open a web browser on your device and go to; https://www.pbc.guru/One_Book_OCL
3. Click, "Login to Download"
4. Enter your library card number and pin (IF YOU GET AN ERROR MESSAGE HERE, CALL THE LIBRARY FOR HELP. There is most likely an issue with your library card)
5. Agree to the terms and conditions
6. Allow the device to open the book in another location: Freading App (If you have already downloaded the book to another device, tap MY DOWNLOADS and then REDOWNLOAD)
7. Open the Freading app on your device when you want to read the book. The book can be found in the LIBRARY (bottom left)

Downloading a book to a computer
The Adobe Digital Editions software is required to read the book on a computer or transfer it to an e-ink reader.

1. Download Adobe Digital Editions
2. Open a web browser on your computer
3. Go to https://www.adobe.com/solutions/ebook/digital-editions/download.html 54
4. Depending on your computer's software, choose either the Windows or the Mac version
5. Open the downloaded file
6. Follow the installer prompts to complete the download

Authorize Your Computer
1. When Adobe Digital Editions opens, select HELP from the menu
2. Select Authorize Computer
3. Enter your Adobe ID (your email) and password
4. Click Authorize

Download your Freading eBook to Adobe Digital Editions
1. Open the web browser and go to the library's Freading site
2. Select Login to Download underneath the book cover
3. Enter your library card number and pin, Select Login
4. Select Accept to agree to the terms and conditions
5. Follow your web browser's download prompts to complete the download and Open Adobe Digital Editions
6. Read the book directly in Adobe Digital Editions by double-clicking the book's cover

Transfer your book to an eInk reader (Nook, Kobo, Sony eInk Reader)
1. Turn on your eReader and go to your device settings
2. Check the Adobe DRM settings and make sure your eReader is connected to the same Adobe ID as the Adobe ID on your computer
3. Use the USB port to connect your eReader to your computer
4. Your eReader will appear in the left-side panel of Adobe Digital Editions
5. Right-click on the book cover
6. Select Copy to Computer/Device and then select your Reader
7. Once the book is transferred, safely unplug the eReader from the computer
8. The book will be in your eReader library

Kindle Fire
You can download the book to your Kindle Fire, but not other Kindle Devices. The Kindle Fire accepts 3rd party apps through a few extra steps as indicated below. **Slideme** is the easiest way to get the Freading® app for your Kindle Fire.

To get the Freading app on the Kindle Fire from Slideme
Make sure you have enabled "Download from unknown sources" in the device settings. This is different depending on the model of Kindle Fire. In general this is done by:
   a. Opening your notifications bar.
   b. Select "More" to go to your device's settings.
   c. Select "Device."
   d. Slide bar to ON for "Allow Installation of Applications from Unknown Sources."

Redownloading the book
Like all library books and eBooks, your Freading eBook will expire after your loan period ends. To redownload your book:
1. Log on to the Freading app and click "My Downloads"
2. You will see your book on this page
3. On the right side, it will say REDOWNLOAD – click Redownload
4. A box will pop up that says, "Download successful!" Read now or Read later
5. Click READ NOW and the eBook will open in your Freading app

If you experience difficulties downloading the book, please refer to Freading's FAQs here:
